---

### Information We Share With Third Parties

If you visit our public websites [www.Wedbush.com](http://www.Wedbush.com), [www.WedbushFutures.com](http://www.WedbushFutures.com), or [www.KluisCommodities.com](http://www.KluisCommodities.com), we share your IP address, the URL you came from, and your interaction with the website with our analytics providers, third-party advertising networks, and social media platforms for their use in cross-context behavioral advertising across multiple websites. Except for this limited sharing, we do not sell or share any of your personal information with third parties.

### Your Right to Opt-Out

California residents have the right to opt-out of the selling or sharing of personal information. You can opt-out by sending us an opt-out preference signal through the privacy controls available on your web browser, or by downloading a browser extension that can be enabled to support your single opt-out preference signal. We process opt-out preference signals in a frictionless manner. Your opt-out preference signal will apply to your device's browser. If you opt-out, you will still see ads but they will not be personalized based on your online activity.
